ABOUT S.D.C.E.T

S.D. College of Engineering & Technology was established by the S.D. Collage Association in 1997. S.D.C.E.T. is affiliated to Dr APJ Abdul Kalam Technical University, Lucknow (U.P), and Board of Technical Education (UPBTE) and approved by AICTE, New Delhi. The collage provides a distinctive combination of academic excellence and professional ethics, a combination designed to provide a strong foundation for development of professional and personal life. The S.D.C.E.T. is envisioned as an institution, dedicated to benefitting an entire spectrum of career aspirants by providing need based value added technical & professional programs.

S.D.C.E.T. has made its presence felt in imparting quality and world class education and enhancing suitable technical & professional manpower for industries in the country and abroad. S.D.C.E.T. has been navigating students to success by shaping them to meet their aspirations of becoming world class engineers, professionals and good human being.

PLACEMENT & INTERNSHIP

S.D.C.E.T has a history of strong relationship with leading business organizations and we continue to reinforce these relationships and expand our corporate partnerships. S.D.C.E.T STUDENTS are placed in MNCs and best companies where they are scripting their own success stories. Long before the actual placement process, industry professionals conduct workshops and seminars enabling students to set realistic expectations about career options. Over sixty present have been our placement record through campus drive. Major companies where SDCETians placed and undergone training are.

AICTE APPROVED
PROGRAMS

M.Tech Course

Electronics &
Communication

MBA
PROGRAM
(Proposed)

B. TECH COURSE

- Computer Science & Engineering
- Information Technology
- Civil Engineering
- Electronic & Communication Engineering
- Mechanical Engineering
- Electrical Engineering

DIPLOMA COURSE

- Civil Engineering
- Mechanical Engineering (Production)
- Computer Science & Engineering
- Electrical Engineering

ELIGIBILITY FOR ADMISSION

- Admission in M.Tech in Electronics & Communication as per university Norms.
- For admission in B.Tech 1st year, 10+2 clearly passed (without grace) with 45% (40% for SC/ST) in PCM and valid rank in JEE.
- The eligibility and admission norms are subject to orders of the AICTE/UP Govt./University for this session.

ACHIVEMENTS/AWARDS

College received Best Engineering college award in western U.P region (Dialogue India). The Executive Director of the college Dr S.N. Chauhan and faculty are recipient of various awards. Seven students during different years received gold/silver medals in university.

ALUMNI ASSOCIATION

Alumni are the backbone of the institution. College has strong alumni association. Alumni acts as an extended arm of the institute. Our alumni Dr. Vimal Chand Srivastava Professor, IIT Roorkee, Sudish Garg-Ned Bank, Johannesburg, Kunal Sharma-HCL, USA, Khurshid Rabbani-PEPE Jeans, London, Cheenu Goel-Adobe, Noida and many more have been proved instrumental as mentor and guide for the students.

WORLD CLASS INFRASTRUCTURE

No Doubt Old is Gold. S.D. Collage of Engg. & Technology is one of the oldest Private engineering college in Uttar Pradesh. The college has developed sustainable infrastructure in view of ambience, aesthetic planning. State-of-art labs and Class rooms, knowledge supporting aids, beautiful and disciplined environment.

HUMAN VALUE BASED EDUCATION

The college administration focuses on nurturing students for success by way of discipline and dedication combined with value and ethics among student. College has taken measures to produce not only world class engineer's rather good human being too.

PERSONALITY DEVELOPMENT AND SOFT SKILLS TRAINING PROGRAM

Regular sessions are conducted for enhancing communication skill and personality development of the students. SDECT has its collaboration with reputed trainers for conducting personality development and soft skills training program.

STUDENT-LED LEARNING

S.D.C.E.T emphasizes on putting students in action. Today, the main challenge before the teaching community is how to hold the attention of students and how to mark the lessons educative and dynamic? The answer of this question lies in student-led learning. Student-Led learning not only enthuses students but also makes them feel class friendly. Furthermore, student-led learning empowers students.

NATIONAL & INTERNATIONAL CONFERENCES

College organises National or international conference every year. Fifteen national and one international conferences have been organised during preceding years on technology, management and environment through which college has strong academic linkage with institutions of excellence like IITs, NITs, IIMs and so on.

HOSTEL FACILITY

Separate boys and girls hostel facility is available in the campus at very nominal cost with single, twin or three bed sharing.
