Key Regulations & Important Notes for Students:

1. Attendance: A minimum of 75% attendance is mandatory in each subject (Theory and Practical) to be eligible to appear for the End Semester Examinations, as per AKTU norms. Students falling short of attendance may be detained.
2. Internal Assessments: Active participation and performance in all Class Tests (CTs/Sessionals), assignments, quizzes, and other internal assessments are crucial as they contribute significantly to the sessional marks and overall grade.
3. Examination Forms & Fees: Students must ensure timely submission of examination forms and payment of fees as per deadlines specified by AKTU and the college.
4. Academic Integrity: SD College of Engineering and Technology upholds a strict policy against academic malpractice, including plagiarism, cheating in examinations, and any dishonest academic conduct. Violators will face severe disciplinary action.
5. Anti-Ragging Policy: The college maintains a zero-tolerance policy towards ragging. Any involvement in ragging activities will lead to severe penalties, including immediate expulsion from the college.
6. Holidays: Public holidays will be observed as per notifications from the Government of Uttar Pradesh and AKTU.
7. Skill Development & Co-curricular Activities: Students are strongly encouraged to actively participate in various workshops, seminars, guest lectures, technical events, sports, cultural programs, and club activities. These opportunities are designed to enhance practical skills, leadership qualities, teamwork, and overall personality development.
8. Industrial Training/Internship: Mandatory industrial training/internship periods are integral to the B.Tech curriculum, providing essential practical exposure and industry readiness. Specific guidelines and support will be provided by the Training & Placement Cell.
9. Feedback Mechanism: Students are encouraged to provide constructive feedback through official channels regarding the curriculum, teaching methodologies, facilities, and overall college environment to facilitate continuous improvement.
10. Career Development: The Training & Placement Cell will conduct various career guidance programs, resume building workshops, mock interviews, and organize campus recruitment drives throughout the year for final year students.

Note : This is a tentative academic calendar based on typical AKTU and AICTE guidelines. All academic dates are subject to change as per university (AKTU) or regulatory body (AICTE) directives. Students are advised to refer to the official college website and notice boards regularly.
